## QUIT MEAT WHEN KIDNEYS BOTHER

TAKE A GLASS OF SALTS IF YOUR  
BACK HURTS OR BLADDER  
TROUBLES YOU.

No man or woman who eats meat  
 regularly can make a mistake by  
 flushing the kidneys occasionally, says  
 a well known authority. Meat forms  
 uric acid which excites the kidneys,  
 they become overworked from the  
 strain, get sluggish and fail to filter  
 the waste and poisons from the blood,  
 then we get sick. Nearly all rheuma-  
 tism, headaches, liver trouble, ner-  
 vousness, dizziness, sleeplessness and  
 urinary disorders come from sluggish  
 kidneys.

The moment you feel a dull ache in  
 the kidneys or your back hurts or if  
 the urine is cloudy, offensive, full of  
 sediment, irregular of passage or at-  
 tended by a sensation of scalding,  
 stop eating meat and get about four  
 ounces of water before breakfast in a  
 glass of water before breakfast and in  
 a few days your kidneys will act fine.  
 This famous salt is made from the  
 acid of grapes and lemon juice, com-  
 bined with lithia, and has been used  
 for generations to flush and stimulate  
 the kidneys, also to neutralize the  
 acids in urine so if no longer causes  
 irritation, thus ending bladder weak-  
 ness.

Jad Salts is inexpensive and cannot  
 injure; makes a delightful efferves-  
 cent lithia water drink which every-  
 one should take now and then to keep  
 the kidneys clean and active and the  
 blood pure, thereby avoiding serious  
 kidney complications.

## Sheep Trade is Uniformly Good

### Shearing is Going on Again and Run Expected to Grow

PORTLAND, Ore., May 19.—There  
 was a fair increase in the movement  
 of sheep to the North Portland yards  
 from Willamette valley points over-  
 night and the trend of the trade was  
 uniformly good.

Shearing operations all through the  
 northwest have been resumed and it  
 is believed that within a short time  
 the general movement to market will  
 start, although total shipments in this  
 direction are expected to be smaller  
 than normal, because of the extreme  
 price of wool.

A recent advice in the Lakeview  
 Examiner says that reports which are  
 being brought in from Warner valley  
 and the lava beds are to the effect  
 that all the sheepmen in those sec-  
 tions of Lake county are making ex-  
 cellent lambings. William O'Keefe,  
 who is in the employ of W. K. Verling  
 was an arrival the first of the week  
 from Warner and states that condi-  
 tions there are the best. Lambing has  
 started and so far the results have  
 been excellent. The weather has been  
 such that few losses are reported.

Dick Lacy came in from the lava  
 beds Sunday and says that most of  
 the bands there have finished with  
 lambing. The weather was ideal and  
 numbers of the flocks lambled close  
 to 100 per cent.

With the prices of wool at present  
 prevailing, it will indeed be a pros-  
 perous year for the sheepmen. In re-  
 sponse to the wool situation, a telegram  
 received yesterday by the Examiner  
 from Crimmins, Pierce & Co., of Bos-  
 ton states: "Very little change in do-  
 mestic situation since last week. The  
 London market has closed very strong

with all grades showing advances.  
 Comparatively little domestic wool  
 was sold in Boston. The interest is  
 still centering in foreign offerings.  
 Buying in the west is proceeding slowly."

This shows that the market is  
 keeping up and the sheepmen are  
 assured of the highest prices that  
 have been paid for wool in the west  
 for the past 15 or 20 years.

**Hog Market is Steady.**  
 Run of hogs in the local yards

**More California Cattle.**  
 There was another small supply of  
 cattle from California on the local  
 market during the day. Two loads  
 came forward from the San Joaquin  
 valley.

California grassers have been of  
 rather good quality to date this season  
 and the demand has been good be-  
 cause of the scarcity of home offerings.

## MY TIRED FEET ACHED FOR "TIZ"

LET YOUR SORE, SWOLLEN,  
 ACHING FEET SPREAD OUT  
 IN A BATH OF "TIZ"

Just take your shoes off and then  
 put those weary, shoe-crinkled, aching,  
 burning, corn-pestered, bunion  
 tortured feet of yours in a "Tiz" bath.  
 Your toes will wriggle with joy;  
 they'll look up at you and almost talk  
 and then they'll take another dive in  
 that "Tiz" bath.  
 When your feet feel like lumps of  
 lead—all tired out—just try "Tiz".  
 It's grand—it's glorious. Your feet  
 will dance with joy; also you will  
 find all pain gone from corns, cal-  
 louses and bunions.  
 There's nothing like "Tiz". It's the  
 only remedy that draws out all the  
 poisonous exudations which puff up  
 your feet and cause foot torture.  
 Get a 25 cent box of "Tiz" at any  
 drug or department store—don't wait.  
 Ah! how glad your feet get; how com-  
 fortable your shoes feel. You can  
 wear shoes a size smaller if you de-  
 sire.
